- **MAIN FACS PROFILE ROLLOVER**

MAIN FACS PROFILE ROLLOVER

MAIN FACS Profile Rollover will be done on the evening of Thursday, June 30, 2005. This process will create Fiscal Year 2006 and Appropriation Year 2006 profiles. On Friday, July 1, 2005, agencies will be able to begin making changes to their 2006 profiles. The profiles which will be “rolled forward” are: 20, 26A, 26B, 26T, 24, 26, D03, D04, D09, D10, D11, D23, D52, and D67.

Agencies are encouraged to review and inactivate profiles that are not being used. Inactivation will prevent AY based profiles from rolling into new AY and prevent inadvertent use of unneeded profiles. Unneeded profiles degrade performance and increase cost of operation for MAIN FACS.

ADPICS and R★STARS will not be available for processing Fiscal Year 2005-2006 procurement and budgetary transactions until a later date.
